BRINGING KAYAL NEWS CLOSER TO YOU

President's Post

May the peace and blessings of Almighty showers on all of us. I am very glad to reach you all through our Kayal News Letter's 4th edition another initiative from KWAS to reach its members and update the current affairs of our association's activities. KWAS is the pioneer of many initiatives which are appreciated and followed by many other Kayal Associations across the world. Without members support, these initiatives couldn't have been rolled out to fulfill the need of the most destitute. For the past two quarters many such aids are carried out such as GNK (Groceries for the Needy Kayalite), Educational & Medical Aids, Imam & Bilal Welfare Scheme, OAP (Old Age People Scheme), Hafiz Incentives & School uniform projects are to name a few. Though the benefits of these aids are reaching the deserved people after careful review process, my humble request to the KWAS members is to utilize these schemes to make it beneficial to our deserved neighbors, kith & kins. This would give us a self-satisfaction that our

contributions are reaching our loved-ones. All these noble causes are accomplished only with your contributions towards subscriptions and sponsorship. I would like to take this opportunity to emphasize to pay your subscriptions on time.

We are at the midst of conducting our Annual Sports Events featuring many games for both our Members and their Families (Ladies). Ensure we are all actively participating in these events to make it successful.

Jazakallah Khaira.
